

How to Access the Workshop Case Server and Technical Support

Connecting to the Workshop Case Server via a web browser using Leica Microsystems' Digital SlideBox

Access scanned slides, PowerPoint & Case Submission files

1. Open your web browser and go to <http://shworkshop2011.slidepath.com>
2. Click on **new user**
3. Fill in your first name, surname and email address then enter the activation key **SHEAHP2011**. The activation key is all in capital letters
4. Click **next**
5. Choose a username and password, and confirm your password
6. Click **submit**
7. You only need to register once; you can use your details to **login** throughout the event

The image shows two screenshots of the registration process. The top screenshot is titled 'Registration' and shows a computer monitor displaying a histology slide. Below the monitor, it says: 'If you have a module Activation Key and want to access the module, choose an option below:'. There are two buttons: 'New User' (circled in red) and 'Existing User'. The bottom screenshot is also titled 'Registration' and shows a form with fields for 'First Name', 'Surname', 'Email Address', and 'Activation Key'. The 'Activation Key' field contains 'SHEAHP2011'. Below the form are two buttons: 'Next' (circled in red) and 'Cancel'.

Connecting to the Workshop Case Server using an iPad or iPhone 4.3 (or newer) using SlidePath's Gateway
